CALSIPP

ANNUAL MEETING 2027

Dear Industry Partners,

*On behalf of the California Society of Interventional Pain Physicians (CALSIPP), we are pleased to invite you to participate in the **2027 CALSIPP Annual Meeting**, taking place **February 19-20, 2027, at VEA Newport Beach, California.***

CALSIPP's Annual Meeting brings together leading physicians, pain fellowship faculty and trainees, neurosurgeons, advanced practice providers, nurses, pharmacists, and other healthcare professionals involved in pain management and interventional pain medicine. We anticipate more than **200 attendees** from California and across the country, creating a valuable opportunity for industry partners to connect with key clinicians and decision-makers.

Industry support plays an essential role in the success of our meeting. Through exhibits, networking events, and sponsorship opportunities, your organization will gain meaningful exposure to an engaged audience while helping advance education and innovation in pain medicine.

Exhibit space and sponsorship opportunities are limited and expected to fill quickly. We encourage you to review the enclosed prospectus and reserve your participation early.

Thank you for your continued support of CALSIPP. We look forward to welcoming you to Newport Beach for an outstanding educational and networking experience.

Sincerely,
The CALSIPP Board of Directors
California Society of Interventional Pain Physicians

Lee Snook, MD, FACP, FASAM
CALSIPP President

Linda Rever, MD
CALSIPP Vice President

Ripu Arora, MD, MBA
Director Emeritus and Treasurer

Kartic Rajput, MD, PhD
CALSIPP Secretary

EXPECTED ATTENDANCE

We hope to highlight and draw on the vast experience of the academic pain physicians already in California. This meeting will bring together 200 pain physicians from the surrounding states. We also will include fellows and residents and expect to be able to draw significant interest from the medical trainees in nearby medical schools University of California, Irvine; University of California, Los Angeles; University of California, Davis; University of California, San Francisco; University of Southern California and more. We hope to facilitate training and networking for the fellows to meet with actively practicing physicians.

OUR EDUCATIONAL PROGRAM

Planned topics include business lectures, peripheral nerve stimulation, regenerative medicine, antiaging therapies, the use of MRI and radiology diagnostics, ketamine use and telemedicine updates,.
